Site Purpose

My mountain spoke site will notice various bicycle information to people. My website is going to provide bicycle adventure tour information, event information, and sales information. We also provide bicycle repair services. In addition, by providing those information, people have a plan for their cycling, as well as, people can prepare for their activities.

Target Audience

My target audience is people who want to have a wonderful day with their lover or couples who enjoy outdoor sports. Moreover, my target audience can be people who have a plan a cycling for their leisure.

Site Map

Color Scheme

Overall, I want to use sky blue and soft yellow color as a main color. Moreover, I also decide to use light gray and dark blue as a secondary color. I expect that it is going to make harmonious weather forecast site.
